MEMORANDUM OF UNDERSTANDING

BETWEEN

INTERNATIONAL UNIVERSITY OF CHABAHAR

AND

LIVERPOOL SCHOOL OF TROPICAL MEDICINE

International University of Chabahar in Iran, and the Liverpool School of Tropical Medicine (LSTM) agree to enter into a formal collaborative agreement based on a foundation of trust for the mutual benefit and development of the two Universities and the promotion of international understanding and goodwill.

1. LSTM and International University of Chabahar, will jointly develop some or all of the following activities based on their respective academic and educational needs:

- a. exchange of research materials, publications and information;
- b. development and operation of joint academic programmes;
- c. support for distant learning courses;
- d. organisation of joint research programmes;
- e. exchange of students;
- f. exchange of scholars;
- g. exchange of administrative and other university staff;
- h. the development of common curricula in areas of mutual interest;
- i. co-operation in the recruitment of students to our two institutions.

Of particular interest is the development and delivery of the following postgraduate education programmes:

- Tropical medicine
- Health care management
- Public health

2. The implementation of exchange based on this agreement shall be separately negotiated and determined by both organisations.

3. Nothing shall diminish the full autonomy of either institution, nor will any constraints or financial obligations be imposed by either upon the other in carrying out the agreement.

4. This agreement will be in effect for five years from the date of signing, and is subject to revision or renewal by mutual agreement. It is also understood that either institution may terminate the agreement at any time, although such action will only be taken after mutual consultation in order to avoid any possible inconvenience to all parties.

5. This agreement is effective when the representatives of both organisations have signed and dated the document.

Dear Dr Mirzaei,

Re: 859000/5486

Thank you for your invitation letter dated 27th November 2006. This is to confirm that Dr Ali Delpisheh will be visiting both the International University of Chabahar and the Medical University of Zahedan academic facilities between 1-10 February 2007. The official report of this visit would be helpful to establish the basis for academic collaboration between IUC and the Liverpool School of Tropical Medicine.

With best wishes

Yours sincerely,

Professor Bernard J. Brabin
Head of Child and Reproductive Health Group
Liverpool School of Tropical Medicine
